EXPERIENCE

Motion Graphic Designer, Flume

2023-Present

I have been working with Flume , a fiber internet service provider, in a complete overhaul of their branding. This has included designing and animating elements for their website and app, as well as creating a variety of print assets and marketing materials for a national audience.

Motion Graphic Designer, Short Order

2017-2022

I worked on a variety of projects for Short Order, a production house in Wilmington, DE. My responsibilities included producing graphic design and animated segments for a number of Short Order's clients, as well as working closely with the company director to brainstorm approaches to client work. I had also frequently directed animation on Short Order productions.

Our clients included DuckDuckGo, Equal Citizens, and M&T Bank, among others.

Motion Graphic Designer, Freelance

2013-Present

I have been freelancing as a motion graphic designer for over a decade, and have worked with multiple agencies to create animated content for industry conventions, independent film, Youtube, and more.

My clients have included Scientific American, Hackstone, Planet Ten, and NorthBay Adventure.
